

## Heartland Habitat is Thankful for Your Care and Support...

Thanks to its many donors, volunteers and partners, 2011 is off to a great start for Heartland Habitat for Humanity. This month, Heartland Habitat is particularly thankful for:

- All those volunteers who have been out on-site despite the cold weather.
- Our partner families who have entrusted their dreams of homeownership to us.
- Our partner churches whose network continues to grow each month.
- All those who came out to support the opening of Heartland Habitat's new ReStore location in Johnson County.
- All those donors who have given sacrificially to help further the mission of Heartland Habitat.
