

Your Help Is Needed: Volunteer for a Deconstruction Crew at Halls Crown Center

Thanks to Halls Crown Center's extreme generosity, Heartland Habitat is in need of some good volunteers - a lot of them! In an effort to make way for Kansas City's new aquarium attraction, Halls Crown Center will be rearranging its floor space and will be donating its excess materials, furniture, displays and other items to Heartland Habitat ReStore. These items will then be resold through one of Heartland Habitat's two ReStore locations, with all net proceeds helping to build homes for local families in need.

Heartland Habitat is looking for individuals or groups of volunteers the week of Tuesday, April 26 through Saturday, April 30. Approximately 25 volunteers are needed each day from 8 a.m.-4 p.m. Volunteers must be 18 or older.

Volunteers will be assisting with the disassembly, movement and loading of items. For more information or to volunteer for one of the deconstruction crews, please contact Vanessa Little at vanessa@heartlandhabitat.org or call 913-342-3047.

What We Build: Affordable Homes and Strong Communities

At Heartland Habitat for Humanity, we don't just build affordable homes for families in need. We build strong neighborhoods and communities. We build a network of support for low-income families living in unsafe or unhealthy living conditions. We build relationships and camaraderie among our volunteers, donors and sponsors. We build a better future for Wyandotte, Leavenworth and Johnson Counties in Kansas, and Clay and Platte Counties in Missouri.

When you donate to or volunteer with Heartland Habitat, you become part of what we build. Thank you for your involvement and support.

View the video "What We Build" at www.heartlandhabitat.org/about-us for more information on how Habitat for Humanity is addressing poverty and housing issues worldwide.

Participate in the Sprite Parks Project and Help Raise Funds for Habitat for Humanity

Sprite is helping to raise funds for community spaces by supporting Habitat for Humanity. Between now and June, Sprite will donate to Habitat for each green tab you send in. It's easy to help! All you need to do is:

1. Look for Sprite® or Sprite Zero™ cans with green tabs.
2. Start collecting Sprite green tabs now and help raise money to build and refurbish homes and active spaces. For each green tab from Sprite or Sprite Zero received by 6/30/11, Sprite will donate 10¢ per tab (up to \$500,000) to Habitat for Humanity.
3. Place the green tabs in a regular or padded envelope. If using a regular envelope, please limit the number of tabs to 20 per envelope. Mail by June 30, 2011 to: Sprite Green Tabs, PO Box 52666, Knoxville, TN 37950.

It's Not Too Late to Join the Special Events Committee!

Do you have a knack for throwing a great party? Heartland Habitat is starting up a special events committee and needs volunteers interested in organizing occasional events that raise funds and awareness for Heartland Habitat's mission. It is anticipated that fundraising events will be held quarterly, so there is a wide variety of involvement opportunities. For more information, contact Kate Fields at kate@heartlandhabitat.org or call (913) 342-3047.
